NEWSLETTER OF THE ASSOCIATION OF HISTORICAL SOCIETIES OF NEW HAMPSHIRE

The Association of Historical Societies of New Hampshire

*The Associate* • Spring 2011

## **Congratulations to our 2010 AHSNH Award Winners!**

The Association of Historical Societies of New Hampshire honored nine projects and people at a ceremony at the Peterborough Historical Society on October 23, 2010. These awards pay tribute to outstanding examples of preserving, interpreting or promoting appreciation and understanding of an aspect of New Hampshire history. "We feel this awards program is an important way to thank people for their innovative and generous contributions, and to inspire others," said AHSNH president Tom Haynes. "We were impressed with the breadth and depth of the nomination pool," said Jennifer Carroll-Plante, Association board member and awards committee chair.

Applications and information regarding the 2011 AHSNH awards program will be made available soon. If you are interested in nominating a historical organization or person, contact Jennifer Carroll-Plante, awards committee chair at 527-1278.
