

PELHAM, N. H., BOY SCOUTS TAKE FOOD TO LOOKOUT TOWER

Three Youths Hike Over Un- broken Way With Week's Supply for E. J. Teer.

Three Pelham, N. H., Boy Scouts, Sidney Vining, Roderick Ducharme and Donald Burton lived up to the precepts of their organization last week in the performance of a good deed. Mr. and Mrs. Ernest J. Teer, of the Jeremy hill lookout station, where they are domiciled for the winter, were completely isolated by the recent blizzard, both the highway and the private road to their home being completely snowbound.

Mr. Teer has been ill for the past month, and all food and water for the family has been obtained through the kindness of a neighbor, Mr. Hirsch, who lives half-a-mile away, who even had to resort to snowshoes to get to the tower.

Saturday the scouts, knowing the conditions, took their turn and hiked over the unbroken way, packing a week's supply of provisions for the snowbound family. Sunday, other scouts joined them and more supplies were packed to the tower to guard against the storm that was apparently approaching.
