"Old Folks Concert" at the Congregational Church a Delightful Affair.

(Special Correspondence.)

Pelham, N. H., March 22.

The "Old Folks' Concert," held at the Congregational church, Monday night, was well attended and the program, as outlined in these columns Monday, was presented in full. As expected, the affair was of high order, and general satisfaction was manifest. The singers were attired in old-fashioned costumes, well in accord with the good old familiar songs they sang, the spirit of which revived many pleasant memories.

Miss Helen Hills of Lowell did herself justice, both as a reader and as a pianist, adding much to the enjoyment of the evening. She received many encores. The ushers were dressed in natty colonial costumes. The tything man, C. Winthrop Hobbs, amply fulfilled his duty, using his tything stick freely when occasion demanded. At intermission the ushers sold home-made candy. The efforts of the "entire company" were appreciated and received the hearty approbation of the audience.

All the schools in town will reopen for the spring term next Monday morning, March 27.

The Ladies Club enjoyed a very pleasant meeting yesterday afternoon with Mrs. Charles W. Mann, Methuen, Mass. A large delegation was present.

The Once-in-a-While Club meets next Friday night with W. D. Smith.
