GEORGE H. CURRIER.
He is serving his second term as a member of the board of selectmen in Pelham, N. H.

PELHAM.

(Special Correspondence.)

Pelham, N. H., May 1.—In the series of "Men well known in the towns," the picture of Selectman George H. Currier of this town was given in the Courier-Citizen last week. Inadvertently the county editor stated that he was entering upon his second term as selectman, whereas in reality Mr. Currier has held that office at intervals for an aggregate of 16 years, and is one of our best known and most highly honored citizens.

When a man proves himself to be a good citizen in Pelham the office seeks him in the old New England way, and he is called upon to serve the town as long as he can be induced to do so. Here is Mr. Currier's record: A member of the New Hampshire legislature for three terms; a collector of taxes for 18 years; a selectman for 16 years; cemetery trustee and treasurer for a long term of years; member of the school board for three years; road commissioner, and the holder of other minor offices.

Mr. Currier owns one of the best farms in town, and raises milk and poultry. He has from 800 to 1000 chicks of this year's hatching. One son, Arthur G., lives with Mr. and Mrs. Currier at home. Another son, Henry M., is in Alaska; and a daughter, Mrs. George Wood, lives upon the adjoining farm.
