## Herbert S. Currier Again Appointed Page at State House —Ladies Aid Elects—New Stage Planned in Town Hall

Pelham, N. H., Jan. 6.

Herbert S. Currier of this town has again received an appointment as a page in the House of Representatives. At the session of the state legislature two years ago Mr. Currier proved very popular among the members that he there served in this same capacity and the experience thus gained without doubt, will stand him in good stead at this session.

The Ladies Aid met with Miss Molly Hobbs at her home at the Centre yesterday afternoon. Annual election was held and the following were re-elected officers for 1939: President, Mrs. Bertha A. Greeley; vice president, Mrs. Lillian M. Wood; secretary, Mrs. May H. Sherburne; treasurer, Mrs. Ildie P. Hobbs. Six members were chosen as a program committee, Mrs. May Sherburne, chairman, Mrs. E. Frances Carleton, Mrs. Robert Byler, Miss Clara Jones, Mrs. Josie Richardson and Mrs. Ildie Hobbs.

For a ways and means committee Mrs. Gertrude C. Garland was chosen chairman, with assistants, Mrs. Lillian Wood, Mrs. Alice W. Overlock, Miss Alice G. Stickney and Mrs. Addie F. Kelley. Refreshments and a social hour followed. Mrs. Edwin N. Sleeper of Lowell gave an interesting talk on different church and society charities in Lowell, telling her experience in such activities and of various methods of raising money for such purposes.

### **Pelham Congregational Church.**

At the morning service Mr. Byler will preach on the theme "What can one person do?" Mr. Herbert Currier will sing a special number.

Sunday evening at 7 o'clock the young people of the church will meet at the parsonage to formulate plans for a Christian Endeavor. After the work of this organization is well under way, a dramatic club will be organized through the members of the Christian Endeavor.

Miss Dorothy Bennett, who is employed in Cambridge, Mass., is at home for a few days.

Miss Frances Hobbs, instructor at the State Teachers college West Chester, Pa., enjoyed the Christmas vacation and New Year's at her home at the Centre. She returned to West Chester, Monday.
