Philip S. Foisie, son of Mr. and Mrs. Charles D. Foisie of Pelham president of the class of 1914 of Nashua High school, has just received his commission as first lieutenant in the 19th Field Artillery at Fort Leavenworth, Kan.

He will report to his regiment at Camp Stanley, Leon Springs, Texas, March 11, and on his way will visit his cousin at St. Louis, the daughter of Mrs. J. T. Hunt, formerly of Nashua.

Lieutenant Foisie had just finished his third year at Harvard when he entered the Reserve Officers' Training camp at Cambridge in the infantry and then went to Plattsburg and while there made a change as he thought he would like the artillery better. When camp closed he went to Fort Leavenworth in the regular army camp where he received his commission.
