

LACROSSE STAR—Newton Garland, Pelham, NH, saw his first college lacrosse game from the Rensselaer Polytechnic Institute, Troy, NY, bench in April, as RPI played Swarthmore. However, the reserve center developed so rapidly he has since starred against Duke, Stevens, City College and Hobart, and was selected as a member of the North team for the revived North-South All Star game, staged by the US Intercollegiate Lacrosse Association on the night of June 7 at Baltimore, Md.

A V-12 honor student at RPI, Garland played on RPI's crack soccer team last fall. He is the son of Mr and Mrs F. W. Garland, Pelham, NH.
