

Pelham

PELHAM, N. H., Nov. 30—C. Winthrop Hobbs, Sr., has resigned as the agent for the New Hampshire fish and game commission. There will be no more licenses issued from his office as of December 1.

A regular semi-monthly meeting of the Congregational Pilgrim Fellowship was held Sunday evening, November 25, at the First Congregational church. Carole Mansfield and Philip Currier led a special Thanksgiving service, followed by a Thanksgiving luncheon which was prepared under the direction of Judith Hayes. Members were reminded not to forget the P. F. record hop to be held December 7 at the town hall.

Charles Winthrop Hobbs, Sr., who is presently a patient at the Veterans hospital in Manchester, N. H., is the Pelham chairman for the Crotched mountain Christmas fund appeal. His committee will contact residents through a letter appealing for contributions to the Christmas fund. There will be no door to door solicitation and residents are being urged to contribute as soon after receiving the letters as possible.

Mr. Hobbs, himself a wheelchair amputee, prepared the list before his illness and his committee will carry on the campaign. Mr. Laurence F. Whittemore, president of the Crotched Mountain foundation, pointed out that Christmas fund contributions are vital for the support of many of the crippled children who need rehabilitation at Crotched mountain. The mailing will include the letter, a descriptive pamphlet, a contribution card and a return envelope for the convenience of the donor.
