

Pelham

PTA Group Holds Its Founders Day Meeting

(Special to The Sun)

PELHAM, N. H., Mar. 10—Mrs. William F. Marsh of Pleasant street, Salem Depot, formerly of Marsh road, Pelham, suffered severe injuries in her home Thursday by falling down a flight of stairs. She sustained a fractured hip, and one arm was broken in two places. She was removed to the Clover Hill hospital, Methuen.

Pelham P-TA met in regular session at the high school on Thursday night, observing a postponed "founders day" meeting which was to have been held Feb. 8, the night of the blizzard. The president, Mrs. Flossie Hammar, conducted the business meeting.

Miss Fannie F. Clement, who first organized a P-TA group in the Gumpas district and later organized the North Pelham P-TA, was present as guest speaker. She gave a historical sketch of all P-TA activities in town and told of the final consolidation of all district groups into the present organization.

Four children from the center district school, Ronald Ducharme, Barbara Hirsch, Dorothy Briere and Carol Nickerson, sang a group of songs on safety in schools under the direction of their teacher, Mrs. Helen Priske. Other past presidents present were Mrs. Alice M. Overlock and Mrs. Kathleen Atwood. Refreshments were served during the social hour by Mrs. Rose Beauchesne, Mrs. Anna Horskin, and Mrs. Flossie Hammar.
