Notice

A second revision of the 2008 Directory is now online, reflecting changes submitted by member societies since the earlier 2008 printing.

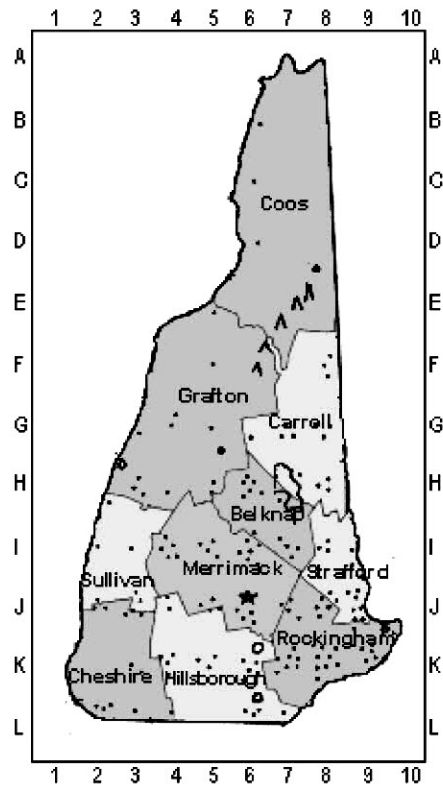

The Printed Directory

The printed version of the Directory, listing the name and mail address, meeting and program schedule and some information on the historic holdings of member (and non member) societies is published periodically as revisions require. Society Members receive a free copy; additional copies may be purchased at \$7.50 plus \$2.50 shipping and handling. Go to the [Store](#) page for more information.

Organizations who want to be included in the Directory are invited to print and mail in the **Registration Form** (a [PDF](#) file). Membership in AHSNH is not required for inclusion in the Directory.

Organizations which are already listed in the Directory should submit any changes to their information via email to: info@historicalsocietiesnh.org.

Online Directory

All Societies in Alphabetical Order

Click [here](#) to view the page containing all societies. (this is a large page, which can take awhile to load).
