SELECTMEN'S REPORT

Another year has rolled around, and although we have gone over the budget in some departments, figures show that the town is better off financially than it was at the close of the year 1940. So let's all keep pulling together and keep costs down and at the end of 1942 we will be again on the gaining side of the ledger.

As you will notice, the town department has been reduced to \$3,000.00 and we recommend paying \$1,000.00 on that this year.

Since the budget was posted the county tax has been dropped over \$400.00.

But we must remember that war is with us and our obligations are going to be great, if money can keep the enemy away from our shores let's all put our shoulder to the wheel and buy defense stamps and bonds and spend every cent we can spare for these bonds and stamps.

Pay our taxes to the Tax Collector as soon as we possibly can after receiving the bill, this not only helps her but you can get a discount which can be used for the purchase of these bonds.

Our largest tax payer in the town pays his within the time allotted for discount and saves around \$100.00 a year.

Also don't forget to drive a car the state law says your previous year's Poll Tax has to be paid to the Tax Collector.

We thank all department heads and townspeople who have cooperated in making this past year one of success in our opinion.

Don't forget to buy defense stamps and bonds and help your defense committee every way you possibly can, do not take this war lightly as it is a very serious matter, and needs the help of every one of the 130,000,000 people in the United States.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the School Board and Citizens of the Town of
Pelham:*

There were three changes in the teaching staff this year. At Gage Hill Mary Shaughnessey filled the vacancy caused by the resignation of Gertrude Cousins. At North Pelham Helen Zolkos filled the vacancy caused by the resignation of Sophie Raucykevich and at the Junior High School Alice Morrill filled the vacancy caused by the resignation of Doris Delaware.

In September, 1941, Superintendent Fred W. Hall was called to service in the United States Army. My duties as acting Superintendent of Schools began on October 1st. The work for the year had been very well organized and planned. I have, with practically no changes, carried on these plans.

The North Pelham P. T. A. which is now a part of the Pelham P. T. A. has had the North Pelham School wired and equipped for electric lights. This fine community service is greatly appreciated by the teacher, children and all who use the building.

Because of the long dry season, the Junior High water system installed last year has been out of commission since last October 2nd, more than four months. Up to the present time, the well has failed to fill sufficiently to make its use practicable. We plan to try the system again this week. If the supply of water proves inadequate some action will be necessary to insure the school a reasonable supply of water for the future.

May I take this opportunity to express my appreciation to the School Board, teachers, and all who have helped to make the work very pleasant and successful.

REPORT OF HEADMASTER

Pelham, New Hampshire.

February 11, 1942

*To the Superintendent of Schools, the School Board,
and Citizens of Pelham:*

Herewith is submitted the annual report of Pelham High School.

The total registration for the year 1941-42 to date, in the high school is twenty-two, nine in grade X and thirteen in grade IX.

The curriculum for 1941-42 follows, the course alternating, as usual, with the curriculum of last year:

English 9	50 min. per., 4 days per week
*Jr. Bus. Training	" " " " " " "
World Culture	" " " " " " "
*French 9-10	" " " " " " "
General Science	" " " " " " "
Fundamentals (as needed)	" " " " " " "
*Elective.	

On account of the President's appeal on behalf of the war effort, school activities this year will center on activities within the school, which will aid this effort. At this writing, plans are underway whereby pupils may form clubs for the purpose of giving material aid such as sewing, knitting, handicraft, or any other type of help that may be necessary.

Warden service within the school, preparing for possible air raids and emergencies, and activities of this nature are to be stressed. Drills and instruction are being held to prepare for any eventuality either within or outside of the school building.

Hot soup is again being served this year under the sponsorship of the local unit of the P. T. A. and is much appreciated in the cold weather. We are also grateful for a contribution toward our Christmas party by this organization.

Our attendance record, which in the past has been so good, has been cut into this year by an unusual amount of sickness. We shall appreciate the cooperation of parents in this matter of seeing that all pupils maintain regular attendance unless confined to their homes with actual sickness.

The teachers wish to thank the superintendent, school nurse, and all those who have aided us in our school effort this year.

Respectfully submitted,

ROBERT W. GOOGINS,
Headmaster.

REPORT OF SCHOOL NURSE

Pelham, New Hampshire
February 3, 1942

*To the Superintendent of Schools, the School Board
and the Citizens of Pelham:*

I present my report as school nurse from February 1, 1941 to February 1, 1942.

Number of pupils examined (3 examinations)	513
Number of pupils having defective vision	9
Number of pupils having defective tonsils	35
Number of pupils having chicken pox	32
Number of pupils having mumps	11
Number of pupils having whooping cough	4
Number of pupils having impetigo	10
Number of pupils having ringworm	1
Number of pupils attending dental clinic	30
Number of home visits	154
Number of school visits	236

The P. T. A. sponsored the Dental Clinic last May and June and thirty children had their dental work done, each paying a small charge. The transportation to Dr. Welch's office in Nashua, N. H., was provided for by several of our Pelham women.

The P. T. A. has also sponsored the soup project during the coldest months of the winter, the children paying .02 for a generous serving, and those who cannot afford to pay are given some free of charge.

Most of the cases of chicken pox have been at the Gage Hill School, with a few cases in North Pelham. All of the cases of mumps have been at the Center. We have had no cases of measles this year. There have been quite a few cases of sore throat and also severe colds and these have been scattered over the whole town.

Respectfully submitted,

ANNA M. HORSKIN, R. N.
School Nurse.
