Mr. Donnelly's singing was exceptionally pleasing and very much appreciated by all and to Mr. Donnelly also belongs credit for his effort in securing talent for the occasion. The affair was a great success and the committee in charge are highly grateful for the response given.

Mr. and Mrs. Lewis Hills and daughter, Marion, met with an accident while motorcycling on the Hollis road last Wednesday night which necessitated the removal of all three to St. Joseph's hospital, Nashua. Mr. Hills recently purchased a motor cycle and sidecar and was enjoying a short spin when a tire "blew out," which caused the machine to plunge from the highway. The occupants were all badly hurt, but their injuries are not considered serious. All are now reported as comfortable as can be expected.

Mr. and Mrs. E. L. Young and son, Walter, and Mrs. Alma E. Titcomb and daughter, Lois, motored to Camp Devone Tuesday, visiting Mrs. Titcomb's brother, Corp. Clarence Rushton.

The graduation exercises of the ninth grade pupils of the Centre school were held at the town hall last Friday night and an interesting program was presented. Frank Kocher, Anna Burton, Earl Gilles, Lucius Ducharme, Carl Hirsch, Vera McCann and Wilmer Paquette and William Jinglee figured in the program, and all grades took part in the singing.
