Gumpus District School Reunion in Pelham Attracts Scores of Former Teachers and Pupils

The reunion of teachers and pupils of the Gumpus District School was well attended on Sept. 17. The weather was pleasant and the group of old schoolmates gathered together to reminisce and enjoy each other's company. The reunion was held at the schoolhouse, which has been a landmark in the community for many years.

The reunion began with a welcome address by Mrs. Clara Cutter Jack, who was a teacher at the school in the early 1900s. She spoke of the changes that have taken place since she taught there and how much she enjoyed seeing her former students again.

One of the highlights of the reunion was the reflection on the importance of education and the lasting impact it has on people's lives. Former students shared stories of their experiences at Gumpus District School and how they have stayed connected to the school and its community over the years.

After the reflections, there was a potluck lunch, where former students and their families gathered to enjoy a meal together. The day ended with a farewell address by Mrs. Cutter, who expressed her gratitude for everyone who came to the reunion and her hope that they would stay connected and continue to support the school.

The reunion was a heartwarming event that brought together people from different corners of the community and reminded everyone of the value of education and the importance of staying connected to our past.
