Children's Parade.

A children's parade was held in the afternoon. Many local children participated in this event. Prizes were awarded as follows: Mary Lou Jerome, best looking girl; Ronald Ducharme, best looking boy; Robert Greenwood, most original boy; Frances Koch, most original girl. Judges were all out of town people, Mrs. Marion Acker, Miss Ashley, and Mrs. Milliken. Miss Phyllis Atwood was in charge of the children's parade.

The big parade was led by the Girl Scouts from Camp Runels who attended in a body and as usual was a crowning feature. The bugles, drums and cymbals lending martial music for the parade. First prize went to the "Choir Float," the choir singing hymns to organ music. Second prize was awarded the Carleton sedan, decorated in red, white and blue, driven by Miss Amos Carleton with little Miss Glennie Boutwell on the front bumper singing "God Bless America." Third prize was taken by Mrs. Gordon Williams in dainty costume carrying a bag of washing on her back and hauling a colored child in a small cart. The fourth prize was given to Ellsworth Smith's Red Cross float.

A soft ball game between local men and Girl Scout councilors was won by the former, 8 to 6. The firemen held a fire drill and the members manning No. 2 truck were the first to get a stream of water. The band concert was much enjoyed throughout the evening.
